OCTOBER 2022

PTO NEWSLETTER

Apex Fun Run 2022

This year will be our second year with APEX FUN RUN. Last year we made a whopping 65K in profits!! That money has already provided: a gaga pit at Pine, a traveling gaga pit and recess supplies for ALL schools. During the school year it will provide: assemblies, field trip transportation, classroom supplies, teacher reimbursement, family fun nights, CUB program, playground enhancements, teacher appreciation events and more! **We are asking that everyone does their best at fundraising again this year so that we can maintain these programs and enhancements in our schools!**
